Experiences

A.CO.LAB

Architecture Office Intern | August 2026

Site survey and 3D modeling of the surrounding site and project buildings.
Built a physical model shown at Culture Station Seoul 284, 'Design of Care'.

UNIVERSITY OF SEOUL

Design Studio | 2020 – 2026

Seven studios, from the city to the room: an urban plaza, a courtyard between buildings, a corridor joining two masses, and a section of the hollow beneath the city.

CAFÉ

Part-time | August – November 2024

Built a grid storage system in the basement, sorting stock by item.
Rearranged tables and plants in the hall to divide sightlines and open up the space.

HABITAT FOR HUMANITY

Volunteer | 2024 – 2025

Renovated an old home with new wallpaper and paint, working on site within a set budget.

REPUBLIC OF KOREA ARMY

Sergeant | 2022 – 2024

Completed full-term military service and received two commendations.
