THE STILL RUNWAY

모두 지나가는데, 하나만 가만히 있다. Everything walks past. One thing stays still.

05 FOUR VERBS IN ONE FRAME

이야기 전체를 한 장에

1 WALK · 걷다
Four people walk past at ~1.3 m/s. At 1/3 s each smears ~0.4 m: clothes in motion, like a show.

2 TURN · 꺾이다
One person in beige slows and bends her path toward the still one. Less blur = she is choosing.

3 PICK UP · 집다
Her hand reaches for the tag on his sleeve: name on the front, contact on the back.

4 KEEP · 챙기다
The white shopping bag in her other hand. The purchase is already packed.
